

## Keep safe on Walk Safely to School Day

Always be careful near roads when walking to school and remember to:

- Cross the road at dedicated crossings
- Wait for cars to completely stop before stepping onto a crossing
- Follow the instructions of crossing supervisors at supervised crossings
- If a crossing isn't available, look for a safe location with good visibility in both directions

Does your school have a school crossing supervisor?

If so, pass on a message of thanks for keeping you safe:
