

# Ride or Walk to School Participation Pledge

RIDE or WALK to school

Our school commits to working towards embedding active travel in our school community in 2021.

We will participate in the Ride or Walk to School program to promote and support riding, walking, or scooting to and from school as part of a daily routine.

## RTWS pledges to:

- Provide a template for an Active Travel Plan
- Provide a tailored digital walking and riding map showing safe routes and part way drop off points
- Provide access to free Safe Cycle TQI Accredited teacher professional learning
- Provide access to the Australian Curriculum aligned – Safe Cycle educational resource which includes lesson plans to years K-2, 3-4 and 5-6
- Provide access to risk assessment and permission slip templates and associated resources for student activities
- Provide free access to book a set of loan bikes, scooters and helmets for your school for a period of five weeks
- Provide marketing material to promote active travel at your school
- Provide support from a dedicated program manager to assist with program engagement

## Your school pledges to:

- Identify a Ride or Walk to School Coordinator
- Prepare an Active Travel plan
- Promote the TQI Accredited Safe Cycle professional learning to teachers
- Have at least one teacher complete the TQI Accredited Safe Cycle professional learning
- Deliver the Safe Cycle curriculum to students
- Promote active travel events throughout the year to your school community
- Distribute information to families about active travel, its benefits and opportunities to get involved
- Complete an annual student (year 6) and teacher survey for evaluation purposes
